Volume discounts / order via webshop

The FLEX/UNI versions can be ordered in any combination for volume discounts. However, acceptance must take place in one delivery and to the same delivery address. The order can be made by e-mail, fax or the webshop. In order to take your volume discount in the webshop into account during the ordering process, you only have to enter the appropriate voucher code (see below) in the shopping cart according to your total quantity of FLEX/UNI. For a volume discount order please use only the **payment in advance**, so we can check the correct use of the discount.
